

Vantage House Shipping Information

Vantage House are agents for a wide variety of manufacturers from around the world and as such there is no single warehouse containing all our 12,000 listed products.

Ingredients and Packaging come from our fulfilment partners here in the UK – however they are separate warehouses and individual delivery charges apply. Please note that Ingredients and Packaging cannot be combined to achieve free delivery or collective quantity discount.

Products available to buy online

[Ingredients](#) are sent out from our fulfilment partner here in the UK. Orders placed before 11am are processed that day for delivery the following day. Whilst the order will have been dispatched for next day delivery, Vantage House cannot guarantee delivery next day, since delivery will be made by an external courier.

Ingredients orders over £200 in value get free mainland UK delivery (other than Highlands and Islands) smaller orders under £200 are welcome and carry a fixed delivery charge of £10 for mainland UK addresses. Bulk Sugar and Syrup may occur Pallet Charges.

[Packaging](#) comes from our packaging partners here in the UK. Packaging orders over £180 in value get free mainland UK delivery (other than Highlands and Islands) smaller orders are welcome and carry a fixed delivery charge of £10 for mainland UK addresses.

[Chocolate World](#) orders are delivered via TNT Standard Service 3 – 5 working days from when they are despatched by Chocolate World (i.e. subject to available stock).

There is a fixed charge of £15 per order up to a total of 10kg and this can include not only moulds but also [Chocolate World equipment](#). Express 24hour services are available on request.

[ChocoVision](#) machines get free mainland UK delivery (other than Highlands and Islands)

Goods from other overseas manufacturers will in general be shipped directly to you from the factory – see below for specific manufacturer information.

Hans Brunner - orders are usually dispatched via UPS Standard Service 3 – 5 working days from when they are despatched by Hans Brunner (i.e. subject to available stock). Shipping is calculated by weight. There is a minimum charge applicable of £20

Hans Brunner lead times vary according to stock situation – phone for current information
